The Times has but recently been informed of the leasing of the Bonne Terre Star-News-Register by E. J. Weininger, recently of St. Louis, who is a practical printer and newspaper man. The former editor, I. L. Page, is in Colorado with his wife, whose health will perhaps not permit of her return to this country. The Times is pleased to welcome Bro. Keininger to the St. Francois county newspaper field, as he has the appearance of being a real man's man, and if he will cut out and retain only one-third of the present name of his paper, we know of absolutely no reason why he should not succeed abundantly.
